WHAT ARE THE PROCEEDS USED FOR?

Expenses last year were approx. \$14,000.00. The Booster Club contributed the following: Rebuilding of the Baseball & Softball fields, Uniforms, Awards, Travel Costs, Entry Fees, Practice Equipment, Coaching Development, Award Ceremonies and so much more

Wish List

Our main Wish is to provide opportunities for kids....and the only way to do that is to have 20 basketballs instead of 8...30 soccer balls instead of 6...and so on for every sport. As the District & School's budget gets tighter it is so important for families to step in to provide the needed equipment. Of course a new weight room is a plus.
